Hi Tiffany & Morgan,

Hope you are both doing well!

I am contacting you because there's a change to your CSLA Service day.

Going forward, CD2 will have their service day on Tuesdays instead on Mondays. With the opening of the ABH's we had to move a couple of teams around.

This change will take effect starting the new rotational schedule - Tuesday, September 29th will be your service day.

I have added your priorities to the new schedule and will reflect the new dates. On a good note, we don't need to worry about rescheduling your service days that fall on a holiday (Monday) :)

As always, please let me know if you have any questions.

Thank you.
